

PRIVACY STATEMENT

Tummers Machinebouw B.V. | Tummers Methodic | Tummers Food Processing Solutions

1. General

Tummers Machinebouw B.V., Tummers Methodic and/or Tummers Food Processing Solutions ('Tummers' or 'we') is a Dutch company active in the field of process lines for the production of end products. We respect your privacy and handle your personal data with care in accordance with the General Data Protection Regulation (GDPR).

We want to use this privacy statement to inform you about the processing and protection of your personal data.

2. Personal data

Personal data are all data based on which you are identifiable or can be identified. Your personal data that we may process include:

- basic information like your name and address details;
- contact details like your mailing address, (mobile) phone number, and email address;
- financial information;
- technical data concerning the device you use to visit our websites, like an IP address, or concerning your visit to our websites;
- other personal data you share with us or that we may obtain from you in relation to the purposes and based on the grounds set out below.

We usually acquire these personal data because you provide these to us. For example, when you use products provided by Tummers or make use of the services of Tummers, visit our websites, complete a form on our website, or if we derive data from information we obtain during contact with you.

3. Purpose of the processing of personal data

Tummers can use your personal data for the following purposes:

- for the execution of an agreement;
- to comply with legal and statutory obligations;
- for marketing and communication activities;
- for recruitment and selection (job applications);
- to analyse and improve our website(s).

4. Grounds for the processing of personal data

Tummers processes your personal data based on one or more of the following legal ground(s):

- the execution of an agreement;
- compliance with a statutory obligation;
- a legitimate interest;
- your permission.

5. Sharing personal data with third parties

As a rule, Tummers will not share your personal data with third parties, but this may be necessary in certain situations. Your personal data will only be shared with third parties for the purposes set out in this privacy statement and based on the listed grounds. Tummers is not responsible or liable for the processing of your personal data by third parties.

Tummers will conclude a processor agreement with any third parties that process your personal data on behalf of and based on the instructions of Tummers. This agreement will meet the requirements of the GDPR.

If we share your personal data with a recipient in a country outside of the European Economic Area, we will ensure that this transfer takes place in accordance with applicable laws and regulations.

6. Protection of personal data

Tummers will ensure suitable technical and organisational measures to protect your personal data against illegitimate and unauthorised processing and loss, destruction, damage, modification, or disclosure. If Tummers makes use of services of third parties, Tummers will capture agreements on adequate security measures in a processor agreement in the context of the protection of personal data.

7. Retention period

Tummers will not keep your personal data any longer than necessary to achieve the purposes set out in this privacy statement or required based on laws and regulations.

8. Your privacy rights

A request for access, correction, limitation, objection, transferability of data, deletion of your personal data or withdrawal of previously given permission can be submitted to the contact details below. We will assess whether we can honour your request based on legal provisions.

As a rule, we will inform you within four weeks of the receipt of the request.

9. Cookies

Tummers makes use of cookies on its websites. A cookie is a small text file that is saved on your computer by a website. You can block the use of cookies by changing the settings of your browser. However, this may affect the performance of our website(s).

10. Contact
